

visionair

World's most concentrated
metered air care aerosol

Up to double the fragrance levels
of competitor mini aerosols

- **Best fragrance levels and longest hang times ever** – 3000+ micro sprays - 30+ days refill change at 15 minute spray intervals 24/7
- **Better fragrance**, using new technology fragrance oils for professional long-lasting strength and quality
- **Best practice performance**, using pharmaceutical valve technology for microscopic spray dispersal
- **Best practice odor management**, using proprietary 'Sanodor' odor neutralizer
- **Mini improves performance**, in ANY mini dispenser

Top Tip: Rotate fragrances every time you fit a new Mini refill to increase awareness that an air care system is in place

Why Sanodor works

- Proprietary odor neutralizer
- Active ingredient, Citronellyl Methylcrotonatel, a proven anti-microbial
- Captures odor molecules and bacteria cells in the air
- Neutralizes background odors such as smoke, food and body odors
- Works with the fragrance oil to overcome environmental odors
- Independently tested
- US Patent no. 6540988

visionair fragrances for Mini aerosols
