

visionair

24/7 dispenser

World's most versatile air care dispenser

- **Simple operation** – simply load batteries and select refill setting for round the clock odor control 24/7
- **Minimum maintenance** – operates on 4 x AA alkaline batteries that last for over 1 year
- **Stylish design** that's modern, different and part of a coordinated range - looks great on the wall or mounted in the surface stand
- **Delivers great fragrance value** – fragrance refills last from 30 to 180+ days
- **Best fragrance performance** – automatically sprays top quality odor controlling fragrance
- **Locks out competitor refills** – exclusively designed to dispense Hygiene Vision Micro, Maxi and Maxi-Plus aerosol refills – no other aerosol design will fit
- **Effective in rooms up to 168 cubic metres / 6,000 cubic feet**

Top Tip: position the dispenser away from the entrance door or extraction fan to keep odor controlling fragrance in the room
